- B Environmental protection:** While performing the salvage services the Contractors shall also use their best endeavours to prevent or minimise damage to the environment.

If the word “No” is deleted in Box 7 this shall not of itself be construed as a notice invoking the Scopic Clause within the meaning of sub-clause 2 thereof.

- D Effect of other remedies:** Subject to the provisions of the International Convention on Salvage 1989 as incorporated into English law (“the Convention”) relating to special compensation and to the Scopic Clause if incorporated the Contractors services shall be rendered and accepted as salvage services upon the principle of “no cure - no pay” and any salvage remuneration to which the Contractors become entitled shall not be diminished by reason of the exception to the principle of “no cure - no pay” in the form of special compensation or remuneration payable to the Contractors under a Scopic Clause.
- E Prior services:** Any salvage services rendered by the Contractors to the property before and up to the date of this agreement shall be deemed to be covered by this agreement.
- F Duties of property owners:** Each of the owners of the property shall cooperate fully with the Contractors. In particular:
- i the Contractors may make reasonable use of the vessel’s machinery gear and equipment free of expense provided that the Contractors shall not unnecessarily damage abandon or sacrifice any property on board;

- H Deemed performance:** The Contractors’ services shall be deemed to have been performed when the property is in a safe condition in the place of safety stated in Box 3 or agreed or determined in accordance with clause A. For the purpose of this provision the property shall be regarded as being in safe condition notwithstanding that the property (or part thereof) is damaged or in need of maintenance if (i) the Contractors are not obliged to remain in attendance to satisfy the requirements of any port or harbour authority, governmental agency or similar authority and (ii) the continuation of skilled salvage services from the Contractors or other salvors is no longer necessary to avoid the property becoming lost or significantly further damaged or delayed.
- I Arbitration and the LSSA Clauses:** The Contractors remuneration and/or special compensation shall be determined by arbitration in London in the manner prescribed by Lloyds Standard Salvage and Arbitration Clauses (“the LSSA Clauses”) and Lloyd’s Procedural Rules. The provisions of the LSSA Clauses and Lloyd’s Procedural Rules are deemed to be incorporated in this agreement and form an integral part hereof. IMPORTANT NOTICES

- 1 Salvage security.** As soon as possible the owners of the vessel should notify the owners of other property on board that this agreement has been made. If the Contractors are successful the owners of such property should note that it will become necessary to provide the Contractors with salvage security promptly in accordance with Clause 4 of the LSSA Clauses referred to in Clause I. The provision of General Average security does not relieve the salvaged interests of their separate obligation to provide salvage security to the Contractors.
- 2 Incorporated provisions.** Copies of the Scopic Clause; the LSSA Clauses and Lloyd’s Procedural Rules may be obtained from (i) the Contractors or (ii) the Salvage Arbitration Branch at Lloyd’s, One Lime Street, London EC3M 7HA.
